

## RELAY SWIM CROSSING CORSICA-CAPRAIA (33 KM)

1st - 4th June 2023

"The sea unites the territories it separates"

The Delegation of Capraia Island of the Lega Navale Italiana, together with Abbracciamoli Onlus, organize this non-competitive (i.e. not aimed at obtaining any record or primacy), and inclusive (i.e. in which both athletes and enthusiasts can participate, even with disabilities) relay swim crossing. In addition to being a unique and aggregative moment for the participants, the event aims to convey some messages dear and common to the two organizations:

- raise awareness of the respect and protection of the marine environment: with particular attention to the issue of microplastics and the risk of extinction of some species
- promote inclusiveness in sport activities: if everyone can participate, having to make sure that we always swim with the light, we must request to guarantee a minimum pace of 2.5 min/100m; in case of disability it will be possible to guarantee this step in pairs
- represents an ideal bridge between two territories once linked from a political and commercial point of view, and today linked by great friendships and a common sense of belonging, Corsica and Capraia, thus giving substance to A. Pope's saving "The sea unites the countries it separates"

## The program

The relay, over a total distance of 18 nautical miles (33 km), will involve 18 swimmers who will cover 30-minute sections in rotation, and will be organized as follows:

Thu 1st June: arrival in Capraia at 4.30pm

Fri 2nd June: departure for Macinaggio and overnight stay

Sat 3rd June: start of the crossing from Macinaggio at dawn (5:30); with expected arrival in Capraia not later than 9.00 pm

Sun 4th June: celebration lunch, departure from Capraia at 18:15

In case of adverse sea conditions, the departure for Macinaggio could be delayed up to 2 days.

## Requirements for swimmers

- have participated in at least 3 open water swimming events, and at least 1 swim over a distance of no less than **5 km** (in a pool or open water)
- be able to keep a pace of 2.5min/100m for 30min, or participate with another person with whom overall you can keep the required pace;
- have a medical certificate for competitive sports, or B1 equivalent for intensive cardiovascular sport activities
- contribute in advance to the expenses for the organization, divided equally among all the swimmers (about 250 euros each)
- guarantee your availability for the period 1-6 June
- be 18 years old already
- do not suffer of sea-sickness

If you are interested in participating, write to <u>traversatacorsicacapraia(at)gmail.com</u>, we will send you a detailed description and the link to the online form, that you must fill in before 15th of March. For more information:
